PLANOS DEL ARCHIVO

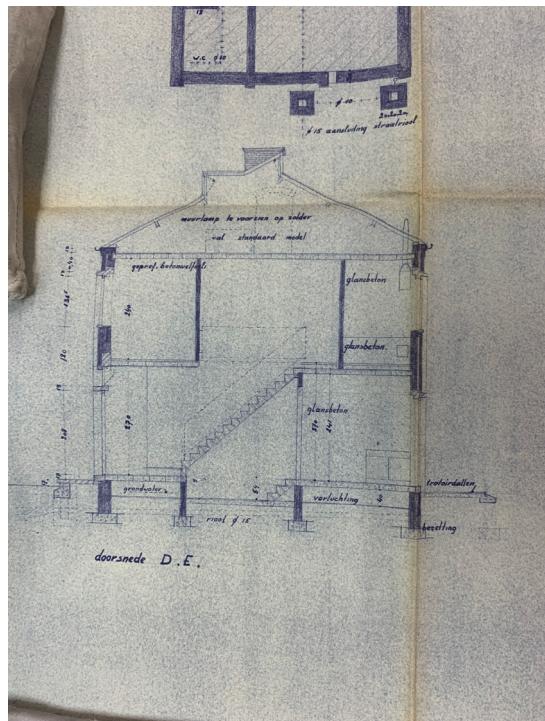

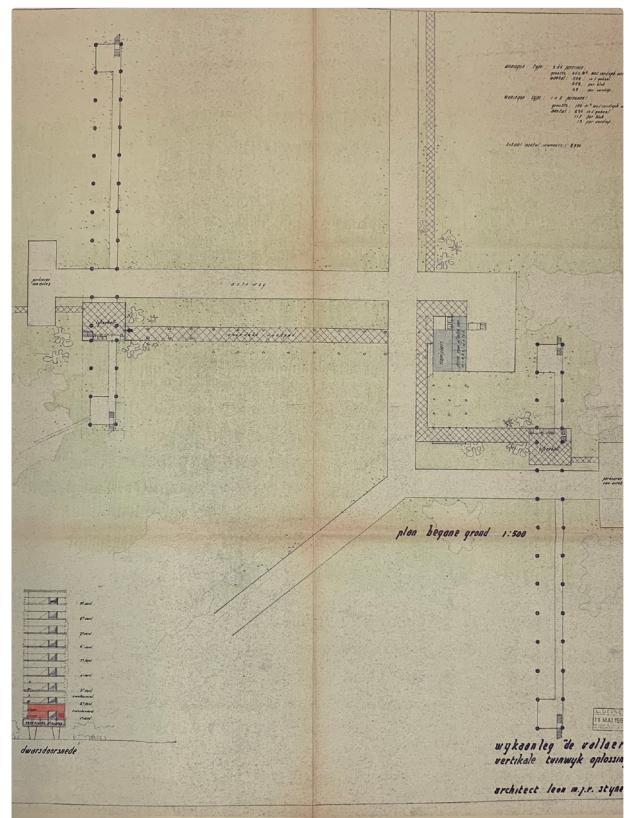

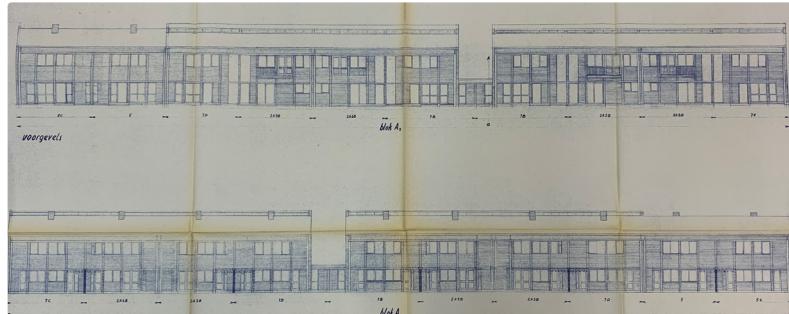

Las siguientes láminas de los proyectos de Léon Stynen, se tratan de documentos originales pertenecientes al archivo del arquitecto, que se encuentra en el Vlaams Architectuurinstitut (VAi), en Amberes.

Gracias a la contribución de Gert Janssens y Mònica Grau Duro, tuve la posibilidad de acceder a ellos y apoyarme en los planos para el análisis del trabajo.

FOTOGRAFÍAS DE LA AUTORA

Las siguientes imágenes se han realizado durante mi estancia Erasmus en Amberes el pasado curso 2019/2020. Lamentablemente, contando con la situación sanitaria a lo largo de todo el año, las fotografías de los interiores de las viviendas no se han podido realizar.
