Year: 4

Semester: Annual

Subject Type: External Placements

Module:

1. General information

2. Learning goals

3. Assessment (1st and 2nd call)

4. Methodology, learning tasks, syllabus and resources

4.1. Methodological overview

The learning process that has been designed for this subject is based on the following:

In the verification of learning with input of data and in the feedback and academic criticism about the real field of teaching.

4.2. Learning tasks

The program offered to the student to help him achieve the expected results includes the following activities:

A mandatory stay in the school for 165 hours of school hours.

Absences must be made up, including those justified by certificate.

Putting in common, debate and guide of the different activities in the periodic meetings with the tutor of the faculty.

Academic work, where he will present the results of his learning during the School Practices, attending to the specified criteria.

Contents of academic work:

Presentation in schematic form of the classroom context: data such as the level or age of the students and the number, as well as a brief mention of the classroom materials and resources. Data will also be included on the Aragonese teaching model implemented in the center and on the sociolinguistic situation of the context in which it is found.

Observation tasks whose guidelines will be administered at the beginning of the course.

Presentation and explanation of the activities that have been developed in a coordinated way with the tutor of the school, as well as those designed or taught by the student himself, specifying the authorship with total clarity.

Academic and critical opinion based on the relationship existing or not between school practice and the theoretical-practical subjects studied in the Aragonese Language Mention.

Reflection and self-evaluation on the student's own performance in the classroom and the learning achieved.

Academic work format:

The academic work must be presented according to the following form:

It will be written in the Aragonese language.

Any type of font can be used, always in size 12 and with a spacing of 1.5 points.

The cover must include: name and surname of the student and the faculty tutor, school center and full name of the tutor.

On the first page, the index with the pages corresponding to each chapter.

If citations or bibliographic references are included, it will be done in an academic way.

If books, articles, records, films, websites or educational materials of any kind are cited, all the references will be collected in a final section of bibliography and materials, arranged alphabetically by author.

Length: between 3,500 and 4,000 words, excluding the index and bibliography.

It is mandatory to present it in paper format, although no special binding is necessary.

It is also mandatory to send it by email to the tutor of the faculty, in PDF format.

4.3. Syllabus

Degree (MONTH 2)

4.4. Course planning and calendar

Calendar of face-to-face sessions and presentation of work.

The activities and time planning will be presented at the kick-off meeting, and will be published in the ADD or in the usual media.

Visits to the school are not compulsory, since they are not included in the credits assigned to the tutors of the faculties. However, the possibility of observing the development of a class period is left to your choice, for which you will arrange a date and time with the tutor of the center.

The activities and dates are officially assigned by the center and published on the official unizar website, as well as on the Digital Teaching Ring (ADD) or other means that will be announced at the beginning of the course.

4.5. Bibliography and recommended resources
