Subject: 27650 - Commercial Simulation

Faculty / School: 109 - Facultad de Economía y Empresa

Degree: 450 - Degree in Marketing and Market Research

ECTS: 5.0

Year: 4

Semester: Second semester

Subject Type: Optional

Module:

1. General information

2. Learning goals

3. Assessment (1st and 2nd call)

4. Methodology, learning tasks, syllabus and resources

4.1. Methodological overview

The methodology followed in this course is oriented towards the achievement of the learning objectives. It is based on:

Theoretical lessons focus on the basics about how to run the online business management simulator, and explain the scheduled activities and their development.

In the practice sessions, students make decisions, analyze information, develop tools for management, prepare a written document and exposes the final report.

Practical classes in which students make decisions (moves in the simulation) require analyzing information and developing tools for management

Classroom materials will be available via Moodle. These include the course syllabus and other course-specific learning materials. This material should be complemented by the students with the explanations given by the professor in class. Further information regarding the course will be provided on the first day of class.

Tutorials. Through tutorials, the students' doubts will be addressed.

Autonomous work, active participation and teamwork favor the achievement of the learning objectives.

The teaching methodology is planned for face-to-face classes. However, if necessary for health reasons, teaching could be delivered on line

4.2. Learning tasks

The learning activities refer to the following aspects and have been detailed previously:

- Learning how to run the business simulation game
- Learning of software
- Learning how to make decisions
- Analysis and assessment of decision-making
- Preparation and oral defense of the written document

This is a 5 ECTS course organized as follows:

- ? Lectures (12.5 hours).
- ? Practice sessions (30 hours).
- ? Seminars and Tutorials ? (7.5 hours).
- ? Personal work ? (75 hours).

The assessment will be prepared to be carried out as face-to-face examination. but if health circumstances do not allow it. they will be carried out by doing it entirely online or in a blended way. In the case of online exams. it is important to highlight that. the student may be recorded, and he or she can exercise his or her rights by the procedure indicated in.
