USER NEEDS

1. INSERT

A close-up shot of a pizza being prepared on a dark, textured stone surface. The pizza is topped with a red sauce, melted cheese, and fresh basil leaves. The crust is thick and slightly puffed.

2. MANIPULATE

A person wearing a white t-shirt is using a long-handled metal tool to manipulate a pizza inside a stone oven. The oven is built into a stone wall and has a visible fire burning inside. The person is standing in front of the oven, and the pizza is being moved around.

3. EXTRACT

A pizza is being extracted from a stone oven. The pizza is on a metal tray and is being moved out of the oven. The oven is built into a stone wall and has a visible fire burning inside. The pizza is being moved out of the oven, and the person is standing in front of the oven.
