

Academic Year/course: 2022/23

26658 - Individual Physical Activities

Syllabus Information

Academic Year: 2022/23

Subject: 26658 - Individual Physical Activities

Faculty / School: 107 - Facultad de Educación

202 - Facultad de Ciencias Humanas y de la Educación

301 - Facultad de Ciencias Sociales y Humanas

Degree: 298 - Degree in Primary School Education

299 - Degree in Primary School Education

300 - Degree in Primary School Education

ECTS: 6.0

Year: 4

Semester: First semester

Subject Type: Optional

Module:

1. General information

2. Learning goals

3. Assessment (1st and 2nd call)

4. Methodology, learning tasks, syllabus and resources

4.1. Methodological overview

The learning process that has been designed for this subject is based on the following:

The subject presents different methodological strategies to develop the assigned competences.

Different work spaces will be combined, such as the classroom, the teaching office and the spc

4.2. Learning tasks

The program offered to the student to help him achieve the expected results includes the follc

In the following table are related the competences of the degree that the subject develops, it

Title Competencies	Results of learning	Instr. Evaluation	Learning activities			
			classroom	Seminar	Sport facilities	No Presential
C61	1.- Compile, apply and use different resources related to the specific didactic (curricular proposals throughout the stage, learning situations, methodology and evaluation) of the different activities of school physical education	<i>Procedures:</i> didactic backpack	1.- Master lesson 2.- Participatory group techniques	4.- Academic activities in small group.	5.- Motor Practice Activities 2.- Participatory group techniques 3.- problem based learning	6.-Individual non contact
	2.- Design learning situations adjusted to specific educational purposes in a specific context for each of the activities proposed.	<i>Written Procedures:</i> theoretical-practical questions	1.- Master lesson 2.- Participatory group techniques		5.- Motor Practice Activities 2.- Participatory group techniques 3.- problem based learning	6.-Individual non contact
	3. Know the didactic foundations of each proposed activity to take them to the physical education class in primary education.	<i>Written Procedures:</i> theoretical-practical questions	1.- Master lesson 2.- Participatory group techniques		5.- Motor Practice Activities 2.- Participatory group techniques	6.-Individual non contact

Table of Learning Activities

1.- Magisterial Lesson (Theoretical-expository classes, in a large group) Description:

Presentation in the classroom of the fundamental concepts and development of the proposed content.
