

Academic Year/course: 2022/23

66706 - Development and sustainability in a multipurpose rural zone

Syllabus Information

Academic Year: 2022/23

Subject: 66706 - Development and sustainability in a multipurpose rural zone

Faculty / School: 103 - Facultad de Filosofía y Letras

Degree: 328 - Master's in Land and Environmental Planning

ECTS: 6.0

Year: 1

Semester: Annual

Subject Type: Optional

Module:

1. General information

1.1. Aims of the course

.

1.2. Context and importance of this course in the degree

.

1.3. Recommendations to take this course

.

2. Learning goals

2.1. Competences

.

2.2. Learning goals

.

2.3. Importance of learning goals

.

3. Assessment (1st and 2nd call)

3.1. Assessment tasks (description of tasks, marking system and assessment criteria)

.

4. Methodology, learning tasks, syllabus and resources

4.1. Methodological overview

This course has a complementary theoretical and applied conceptual basis with other optional socioeconomic and

environmental approaches that will apply to the fundamentals of the OT (Landscape Planning).

The practical and applied character of the course is specified in practical work, case presentations, and field work. These activities' workload equals a third of the total amount of hours. Practice sessions include methods commonly used in the strategic planning of rural development. Students will have to design, individually, a strategic development plan, where they demonstrate the practical and theoretical knowledge acquired in the course.

The presentation of specific cases by external specialists is intended to put in contact students with real-world problems and their political solutions.

4.2. Learning tasks

The course includes the following learning tasks:

- Theory sessions (27 hours).
- Practical activities (21 hours).
- Field work (12 hours).
- Autonomous work and study (84 hours).
- Assessment tasks (6 hours).

4.3. Syllabus

The course will address the following topics:

Topic 1. The multifunctional character of rural spaces

- 1.1. Evolution of the concept of rurality.
