#### Recommendations to attend this course

#### Course Schedule and Deadlines

---

## **Home**

---

### **Learning outcomes that define this course**

**The student, in order to pass the course, will have to show her/his competence in the following skills:**

#### **Introduction**

**Brief presentation of the course**

---

#### **Competences**

---

#### **General aims of the course**

**The expected results of the course respond to the following general aims**

**Context/Importance of the course for the master degree**

**After completing the course, the student will be competent in the following skills:**

**Relevance of the skills acquired in the course**

---

#### **Evaluation**

---

#### **Assessment tasks**

**The student will prove that he/she has achieved the expected learning results by means of the following assessment tasks:**

---

#### **Activities and resources**

---

#### **Course methodology**

**The learning process that has been designed for this course is based on the following activities:**

## **Outline of the Programme**

**The programme offered to the students to help them achieve the learning results includes the following activities :**

### **Course planning**

**Calendar of actual sessions and presentation of works**

### **Bibliographic references of the recommended readings**
