

30360 - Information Systems

Información del Plan Docente

Academic Year	2016/17
Academic center	110 - Escuela de Ingeniería y Arquitectura
Degree	438 - Bachelor's Degree in Telecommunications Technology and Services Engineering
ECTS	6.0
Course	4
Period	First semester
Subject Type	Optional
Module	---

1.Basic info

1.1.Recommendations to take this course

For more information, please see course 30224 (Information Systems)

1.2.Activities and key dates for the course

For more information, please see course 30224 (Information Systems)

2.Initiation

2.1.Learning outcomes that define the subject

For more information, please see course 30224 (Information Systems)

2.2.Introduction

For more information, please see course 30224 (Information Systems)

3.Context and competences

3.1.Goals

For more information, please see course 30224 (Information Systems)

3.2.Context and meaning of the subject in the degree

For more information, please see course 30224 (Information Systems)

3.3.Competences

30360 - Information Systems

For more information, please see course 30224 (Information Systems)

3.4.Importance of learning outcomes

For more information, please see course 30224 (Information Systems)

4.Evaluation

For more information, please see course 30224 (Information Systems)

5.Activities and resources

5.1.General methodological presentation

For more information, please see course 30224 (Information Systems)

5.2.Learning activities

For more information, please see course 30224 (Information Systems)

5.3.Program

For more information, please see course 30224 (Information Systems)

5.4.Planning and scheduling

For more information, please see course 30224 (Information Systems)

5.5.Bibliography and recommended resources

For more information, please see course 30224 (Information Systems)
