

30365 - Undergraduate Dissertation

Información del Plan Docente

Academic Year	2016/17
Academic center	110 - Escuela de Ingeniería y Arquitectura
Degree	438 - Bachelor's Degree in Telecommunications Technology and Services Engineering
ECTS	12.0
Course	4
Period	Second semester
Subject Type	End of Grade Dissertation
Module	---

1.Basic info

1.1.Recommendations to take this course

1.2.Activities and key dates for the course

2.Initiation

2.1.Learning outcomes that define the subject

2.2.Introduction

3.Context and competences

3.1.Goals

3.2.Context and meaning of the subject in the degree

3.3.Competences

3.4.Importance of learning outcomes

4.Evaluation

5.Activities and resources

5.1.General methodological presentation

The learning process that is designed for this subject is based on the following:

The student must follow the Director or Project Managers training activities, depending on the proposed theme and scope of the project.

The final project will consist of a work with sufficient elements of personal creation, which reveal the knowledge, skills,

30365 - Undergraduate Dissertation

aptitudes and attitudes acquired by the student throughout the degree. The complexity and the level of requirements established in its development will involve an estimated total workload of 12 ECTS credits.
