

29337 - Hospital Internships

Información del Plan Docente

Academic Year	2016/17
Academic center	229 - Facultad de Ciencias de la Salud y del Deporte
Degree	442 - Degree in Odontology
ECTS	24.0
Course	5
Period	Annual
Subject Type	External Placements
Module	---

1.Basic info

1.1.Recommendations to take this course

1.2.Activities and key dates for the course

2.Initiation

2.1.Learning outcomes that define the subject

2.2.Introduction

3.Context and competences

3.1.Goals

3.2.Context and meaning of the subject in the degree

3.3.Competences

3.4.Importance of learning outcomes

4.Evaluation

5.Activities and resources

5.1.General methodological presentation

The subject's learning process is based on the following criteria:

- Clinical Practice: will be held in the University Dental Clinic. All the activities will be done individually or by pairs/groups.

- Practical homework: A Portfolio must be presented by the student with all the clinical procedures that will be done during the subject. The portfolio must include a bibliographic review that sustain all the clinical procedures. This review will be exposed by the students and will be discuss by the alumni and the professors.

29337 - Hospital Internships
