Academic center	109 - Facultad de Economía y Empresa
Degree	449 - Degree in Finance and Accounting
ECTS	6.0
Course	4
Period	Second semester
Subject Type	Optional
Module	---

1.Basic info

1.1.Recommendations to take this course

1.2.Activities and key dates for the course

2.Initiation

2.1.Learning outcomes that define the subject

2.2.Introduction

3.Context and competences

3.1.Goals

3.2.Context and meaning of the subject in the degree

3.3.Competences

3.4.Importance of learning outcomes

4.Evaluation

5.Activities and resources

5.1.General methodological presentation

The learning process designed for this course is based on the following:

Different teaching methods will be used: in the theoretical classes, the teacher will explain the subjects in lectures and techniques of active student participation will also be used. The latter will allow a greater implication of the students in the learning process and will permit the teacher to identify their problems and doubts as they arise during the course.

5.2.Learning activities

27550 - Economic Environment

The programme offered to the student to help her achieve the expected results is made up of the following activities:

THEORETICAL CLASSES will take the form of lectures given by the teacher with the aim of transmitting the fundamental concepts of the course in order to reach the minimum levels established by the teacher. The lecture is meant to be participative and to foment debate and resolve the students' problems and doubts as they arise from the recommended reports, the course bibliography and the material available on the ADD.

RESOLUTION AND PRESENTATION OF PROBLEMS AND PRACTICAL CASES, elaboration and presentation of works, discussion of current events, comments on readings and iterative activities.

Tutorial and evaluation activities that allow a more direct and personal support for the students to supervise works, prepare and write reports, resolve doubts and guide them in their studies and in the solving of exercises. These tutorials may be individual or in groups.
