#### **1.1.Recommendations to take this course**

#### **1.2.Activities and key dates for the course**

### **2.Initiation**

#### **2.1.Learning outcomes that define the subject**

#### **2.2.Introduction**

### **3.Context and competences**

#### **3.1.Goals**

#### **3.2.Context and meaning of the subject in the degree**

#### **3.3.Competences**

#### **3.4.Importance of learning outcomes**

### **4.Evaluation**

### **5.Activities and resources**

#### **5.1.General methodological presentation**

In this subject, the student must agree with the director or directors the training activities of their TFG. It will depend on the proposed topic or the kind of work to be developed.

The TFG should be reflected in a memory (see Assessment System section) that will be evaluated by a tribunal, as well as its public defence.

#### **5.2.Learning activities**

## 28445 - Undergraduate Dissertation

The subject has been assigned in the curriculum with 6 ECTS (150 hours), invested in:

- \* Meetings of students with the coordinator of the subject
- \* Tutorial sessions with the director
- \* Personal work of the student
- \* Presentation and defence

Tender lines will be published at the beginning of the academic year. Previous agreements between the student and the director are highly appreciated. The coordinator of the subject and the CGC will ensure that each student has a director before the limit of submission of the proposal

### 5.3.Program

### 5.4.Planning and scheduling

Key dates for the submission of the proposal; deposit of the TFG and public defense will be published on the web page of the Veterinary Faculty (link <http://veterinaria.unizar.es/gradoveterinaria/>). This link will be updated at the beginning of each academic year.

### 5.5.Bibliography and recommended resources
