

30140 - International relations

Información del Plan Docente

Academic Year	2016/17
Academic center	179 - Centro Universitario de la Defensa - Zaragoza
Degree	563 - Bachelor's Degree in Industrial Organisational Engineering 457 - Bachelor's Degree in Industrial Organisational Engineering
ECTS	6.0
Course	4
Period	Second semester
Subject Type	Compulsory
Module	---

1. Basic info

1.1. Recommendations to take this course

1.2. Activities and key dates for the course

2. Initiation

2.1. Learning outcomes that define the subject

2.2. Introduction

3. Context and competences

3.1. Goals

3.2. Context and meaning of the subject in the degree

3.3. Competences

3.4. Importance of learning outcomes

4. Evaluation

5. Activities and resources

5.1. General methodological presentation

The learning process that is designed for this subject is based on the following:

a) Comprehensive reading of the notes and readings proposed by the teacher, to perform at their place of study prior to the hearing in the classroom and for the exam.

30140 - International relations

b) Teaching exhibition by Professor, highlighting the most relevant aspects of the subject, supported by presentations, photographs, videos, etc. During these sessions, students should express their doubts about the discussion in class or read in place of study.

c) The content of the classes, notes and readings proposed by the teacher will be part of the examination subject if teacher does not says otherwise.

d) Students will take a compulsory group work on a subject chosen by the teacher.

e) International Observatory: throughout the course students (in groups of two or three) should keep track of the news today in a geopolitical area or global thematic assigned by teachers. There will be a discussion in class in several sessions, on the date specified. This activity may be evaluated in the way that teachers establish and previously communicated to students.

5.2.Learning activities

In addition to the theoretical classes that will be developed in a participatory manner the themes listed in the program, the subject will be developed:

Group exhibitions on specific topics of International Relations.

Exhibitions and analysis of the international situation, the so-called "international observatory"

Analysis and commentary on news affecting aspects of international relations.

Presentation of individual works.
