

68900 - Techniques to improve working conditions

Información del Plan Docente

Academic Year	2016/17
Academic center	102 - Facultad de Derecho
Degree	462 - Master's in Occupational Health and Safety
ECTS	9.0
Course	1
Period	First semester
Subject Type	Compulsory
Module	---

1.Basic info

1.1.Recommendations to take this course

1.2.Activities and key dates for the course

2.Initiation

2.1.Learning outcomes that define the subject

2.2.Introduction

3.Context and competences

3.1.Goals

3.2.Context and meaning of the subject in the degree

3.3.Competences

3.4.Importance of learning outcomes

4.Evaluation

5.Activities and resources

5.1.General methodological presentation

The designed learning process for this subject is based on:

LEGAL FIELD OF OCCUPATIONAL HEALTH AND SAFETY

68900 - Techniques to improve working conditions

-Exposition of lessons by Labour and Social Security Law teachers.

-Practical classes to know legal problems in relation to Safety and Health in the workplace

Students will have the manual titled *Marco Jurídico de la Seguridad y Salud en el Trabajo - Legal Framework for Safety and Health in the Workplace*-, (Vallejo Da Costa, R and Pastor Lafuente, V), which can be purchased at the reprography service of the Faculty of Law. At the end of each topic, students have a self-evaluation and learning questionnaire.

HEALTH PROMOTION IN THE WORKPLACE AND STATISTICS BASES Assuming the different curriculum and diverse background of students, we understand that learning and achievement of the results must be the result of attendance and participation in the sessions scheduled and the completion of individual work programmed. We will encourage students to use the tutorials through various systems and methods.

OTHER ACTIONS IN PREVENTION: ADULT EDUCATION AND COMMUNICATION, INFORMATION AND NEGOTIATION SKILLS

IN OCCUPATIONAL HEALTH AND SAFETY -Exposition of lessons with the document: *Otras actuaciones en prevención: Formación de Adultos y Técnicas de Comunicación, Información y Negociación en prevención de riesgos* -Other actions on prevention: *Adult Education and Communication, Information and Negotiation Skills in Occupational Health and*

Safety-, (Fernández Arias, J.C). At the end of each topic students have a self-evaluation and learning questionnaire. Students should consult technical articles.
