## A European Journal

### Accepted Article

**Title:** Cyclometalated NHCs and Pyrazoles with Starring Roles for Developing Fully Efficient Blue Pt(II) Emitters and Pt/Ag Clusters

**Authors:** Violeta Sicilia, Lorenzo Arnal, Sara Fuertes, and Antonio Martín

This manuscript has been accepted after peer review and appears as an Accepted Article online prior to editing, proofing, and formal publication of the final Version of Record (VoR). This work is currently citable by using the Digital Object Identifier (DOI) given below. The VoR will be published online in Early View as soon as possible and may be different to this Accepted Article as a result of editing. Readers should obtain the VoR from the journal website shown below when it is published to ensure accuracy of information. The authors are responsible for the content of this Accepted Article.

**To be cited as:** *Chem. Eur. J.* 10.1002/chem.201800646

**COPYRIGHT TRANSFER AGREEMENT**Date: 05-11-2018 Contributor name: Violeta SiciliaContributor address: EINA, Campus Rio Ebro Edificio T.Q. 5018 ZaragozaManuscript number: chem.201800646R2Re: Manuscript entitled Cyclometalated NHCs and Pyrazoles with Starring Roles for Developing Fully Efficient Pt(II) Emitters and Pt/Ag (the "Contribution") for publication in Chemistry- A European Journal (the "Journal")

published by Wiley-VCH Verlag GmbH &amp; Co. KGaA ("Wiley-VCH")

Dear Contributor(s),

Thank you for submitting your Contribution for publication. In order to expedite the editing and publishing process and enable Wiley-VCH to disseminate your Contribution to the fullest extent, we need to have this Copyright Transfer Agreement executed. If the Contribution is not accepted for publication, or if the Contribution is subsequently rejected, this Agreement will be null and void. **Publication cannot proceed without a signed copy of this Agreement.**

**A. RIGHTS GRANTED**

**1.** The Contributor hereby grants to Wiley-VCH for the duration of the statutory term of copyright protection and any extensions or renewals, the full and exclusive rights comprised in the Contribution including but not limited to the right to publish, republish, transmit, sell, distribute, store and process in electronic media of any kind, include in document delivery services and otherwise use the Contribution in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so. For the avoidance of doubt, "Contribution" is defined to only include the article submitted by the Contributor for publication in the Journal and does not extend to any supporting information submitted with or referred to in the Contribution ('Supporting Information'). To the extent that any Supporting Information is submitted to the Journal for online hosting, Wiley-VCH is granted a perpetual, non-exclusive license to host and disseminate this Supporting Information for this purpose.

**2.** Reproduction, posting, transmission or other distribution or use of the final Contribution in whole or in part in any medium by the Contributor as permitted by this Agreement requires a citation to the Journal suitable in form and content as follows: (Title of Article, Contributor, Journal Title and Volume/Issue, Copyright © [year], copyright owner as specified in the Journal, Publisher). Links to the final article on the publisher website are encouraged where appropriate.

**3.** Please note that Wiley-VCH reserves the right to require changes to the Contribution, including changes to the length of the Contribution, as a condition of acceptance.

**4.** Please note that Wiley-VCH reserves the right, notwithstanding acceptance, not to publish the Contribution if for any reason such publication would in the reasonable judgement of Wiley-VCH, result in legal liability or violation of journal ethical practices.

**B. RETAINED RIGHTS**

Notwithstanding the above, the Contributor or, if applicable, the Contributor's employer, retains all proprietary rights other than copyright, such as patent rights, in any process, procedure or article of manufacture described in the Contribution.

**C. PERMITTED USES BY CONTRIBUTOR**

**1. Submitted Version.** Wiley-VCH licenses back the following rights to the Contributor in the version of the Contribution as originally submitted for publication (the "Submitted Version"):

**a.** After publication of the Final Published Version, the right to self-archive the Submitted Version on the Contributor's personal website, place in a not for profit subject-based repository or in a Scholarly Collaboration Network (SCN) which has signed up to the STM article sharing principles [[www.stm-assoc.org/stm-consultations/scn-consultation-2015/](http://www.stm-assoc.org/stm-consultations/scn-consultation-2015/)] ("Compliant SCNs"), or in the Contributor's company/ institutional repository or archive. This right extends to both intranets and the Internet. The Contributor may replace the Submitted Version with the Accepted Version, after any relevant embargo period as set out in paragraph C. 2(a) below has elapsed. The Contributor may wish to add a note about acceptance by the Journal and upon publication it is recommended that Contributors add a Digital Object Identifier (DOI) link back to the Final Published Version.

**b.** The right to transmit, print and share copies of the Submitted Version with colleagues, including after publication of the Final Published Version via Compliant SCNs, provided that there is no systematic distribution of the Submitted Version, e.g. posting on a listserve, network (including SCNs which have not signed up to the STM sharing principles) or automated delivery.

**2. Accepted Version.** Wiley-VCH licenses back the following rights to the Contributor in the version of the Contribution that has been peer-reviewed and accepted for publication, but not final (the "Accepted Version"):

**a.** The right to self-archive the Accepted Version on the Contributor's personal website, in the Contributor's company/institutional repository or archive, in Compliant SCNs, and in not for profit subject-based repositories such as PubMed Central, subject to an embargo period of 12 months following publication of the Final Published Version. There are separate arrangements with certain funding agencies governing reuse of the Accepted Version as set forth at the following website: [www.wiley.com/go/funderstatement](http://www.wiley.com/go/funderstatement). The Contributor may not update the Accepted Version or replace it with the Final Published Version. The Accepted Version posted

must contain a legend as follows: This is the accepted version of the following article: FULL CITE, which has been published in final form at [Link to final article]. This article may be used for non-commercial purposes in accordance with the Wiley Self-Archiving Policy [olabout.wiley.com/WileyCDA/Section/id-820227.html].

**b.** The right to transmit, print and share copies of the Accepted Version with colleagues, including via Compliant SCNs (in private research groups only before the embargo and publicly after), provided that there is no systematic distribution of the Accepted Version, e.g. posting on a listserv, network (including SCNs which have not signed up to the STM sharing principles) or automated delivery.

**3. Final Published Version.** Wiley-VCH hereby licenses back to the Contributor the following rights with respect to the final published version of the Contribution (the "Final Published Version"):

**a. Copies for colleagues.** The personal right of the Contributor only to send or transmit individual copies of the Final Published Version in any format to colleagues upon their specific request, and to share copies in private sharing groups in Compliant SCNs, provided no fee is charged, and further provided that there is no systematic external or public distribution of the Final Published Version, e.g. posting on a listserv, network or automated delivery. Should the Contributor wish to distribute the Contribution in the form of a high-definition PDF file, as purchased re-prints or to a larger group of customers than permitted under this Agreement (e.g. to groups of colleagues or mailing lists), the Contributor shall first directly contact Wiley-VCH.

**b. Re-use in other publications.** The right to re-use the Final Published Version or parts thereof for any publication authored or edited by the Contributor (excluding journal articles) where such re-used material constitutes less than half of the total material in such publication. In such case, any modifications must be accurately noted.

**c. Teaching duties.** The right to include the Final Published Version in teaching or training duties at the Contributor's institution/place of employment including in course packs, e-reserves, presentation at professional conferences, in-house training, or distance learning. The Final Published Version may not be used in seminars outside of normal teaching obligations (e.g. commercial seminars). Electronic posting of the Final Published Version in connection with teaching/training at the Contributor's company/institution is permitted subject to the implementation of reasonable access control mechanisms, such as user name and password. Posting the Final Published Version on the open Internet is not permitted.

**d. Oral presentations.** The right to make oral presentations based on the Final Published Version.

**4. Article Abstracts, Figures, Tables, Artwork and Selected Text (up to 250 words).**

**a.** Contributors may re-use unmodified abstracts for any non-commercial purpose. For online uses of the abstracts, Wiley-VCH encourages but does not require linking back to the Final Published Version.

**b.** Contributors may re-use figures, tables, artwork, and selected text up to 250 words from their Contributions, provided the following conditions are met:

- (i) Full and accurate credit must be given to the Final Published Version.
- (ii) Modifications to the figures and tables must be noted. Otherwise, no changes may be made.

(iii) The re-use may not be made for direct commercial purposes, or for financial consideration to the Contributor.

(iv) Nothing herein will permit dual publication in violation of journal ethical practices.

#### D. CONTRIBUTIONS OWNED BY EMPLOYER

**1.** If the Contribution was written by the Contributor in the course of the Contributor's employment (as a "work-made-for-hire" in the course of employment), the Contribution is owned by the company/institution which must sign this Agreement (in addition to the Contributor's signature). In such case, the company/institution hereby grants to Wiley-VCH the full and exclusive rights comprised in the Contribution as specified in paragraph A above throughout the world for the duration of the statutory term of protection and any extensions and renewals.

**2.** In addition to the rights specified as retained in paragraph B above and the rights granted back to the Contributor pursuant to paragraph C above, Wiley-VCH hereby grants back, without charge, to such company/institution, its subsidiaries and divisions, the right to make copies of and distribute the Final Published Version internally in print format or electronically on the Company's internal network. Copies so used may not be resold or distributed externally. However, the company/institution may include information and text from the Final Published Version as part of an information package included with software or other products offered for sale or license or included in patent applications. Posting of the Final Published Version by the company/institution on a public access website may only be done with written permission, and payment of any applicable fee(s). Also, upon payment of the applicable reprint fee, the company/institution may distribute print copies of the Final Published Version externally.

#### E. GOVERNMENT CONTRACTS

In the case of a Contribution prepared under U.S. Government contract or grant, the U.S. Government may reproduce, without charge, all or portions of the Contribution and may authorize others to do so, for official U.S. Government purposes only, if the U.S. Government contract or grant so requires. (U.S. Government, U.K. Government, and other government employees: see notes at end.)

#### F. COPYRIGHT NOTICE

The Contributor and the company/institution agree that any and all copies of the Final Published Version or any part thereof distributed or posted by them in print or electronic format as permitted herein will include the notice of copyright as stipulated in the Journal and a full citation to the Journal.

#### G. CONTRIBUTOR'S REPRESENTATIONS

The Contributor represents that the Contribution is the Contributor's original work, all individuals identified as Contributors actually contributed to the Contribution, and all individuals who contributed are included. If the Contribution was prepared jointly, the Contributor has informed the co-Contributors of the terms of this Agreement and has obtained their written permission to sign this Agreement on their behalf. The Contribution is submitted only to this Journal and has not been published before, has not been included in another manuscript, and is not currently under consideration or accepted for publication elsewhere. If excerpts from copyrighted works owned by third parties are included, the Contributor shall obtain written permission from the copyright owners for all uses as set forth in the standard

permissions form or the Journal's Author Guidelines, and show credit to the sources in the Contribution. The Contributor also warrants that the Contribution and any submitted Supporting Information contains no libelous or unlawful statements, does not infringe upon the rights (including without limitation the copyright, patent or trademark rights) or the privacy of others, or contain material or instructions that might cause harm or injury. The Contributor further warrants that there are no conflicts of interest relating to the Contribution, except as disclosed. Accordingly, the Contributor represents that the following information shall be clearly identified on the title page of the Contribution: (1) all financial and material support for the research and work; (2) any financial interests the Contributor or any co-Contributors may have in companies or other entities that have an interest in the information in the Contribution or any submitted Supporting Information (e.g., grants, advisory boards, employment, consultancies, contracts, honoraria, royalties, expert testimony, partnerships, or stock ownership); and (3) indication of no such financial interests if appropriate.

## H. USE OF INFORMATION

The Contributor acknowledges that, during the term of this Agreement and thereafter, Wiley-VCH may process the Contributor's personal data, including storing or transferring data outside of the country of the Contributor's residence, in order to process transactions related to this Agreement and to communicate with the Contributor. By entering into this Agreement, the Contributor agrees to the processing of the Contributor's personal data (and, where applicable, confirms that the Contributor has obtained the permission from all other contributors to process their personal data). Wiley-VCH shall comply with all applicable laws, statutes and regulations relating to data protection and privacy and shall process such personal data in accordance with Wiley's Privacy Policy located at: [www.wiley.com/go/privacy](http://www.wiley.com/go/privacy).
