4.1.Methodological overview

The methodology followed in this course is oriented towards achievement of the learning objectives. At the beginning of the course, a dossier of classical texts and critiques, updated bibliography, maps, paintings and iconography is handed in. The teaching sessions last for two hours and are divided into two parts. In the first part, the topics and problems are presented and in the second one, students proceed to read the topic-related texts. A monographic seminar (6 hours distributed into four sessions) will be scheduled too.

Further information regarding the course will be provided on the first day of class.
