Academic Year	2018/19
Subject	27501 - Financial accounting I
Faculty / School	109 - Facultad de Economía y Empresa
Degree	449 - Degree in Finance and Accounting
ECTS	6.0
Year	1
Semester	First semester
Subject Type	Basic Education

Module

1.General information

1.1.Aims of the course

1.2.Context and importance of this course in the degree

1.3.Recommendations to take this course

2.Learning goals

2.1.Competences

2.2.Learning goals

2.3.Importance of learning goals

3.Assessment (1st and 2nd call)

3.1.Assessment tasks (description of tasks, marking system and assessment criteria)

4.Methodology, learning tasks, syllabus and resources

4.1.Methodological overview

The methodology followed in this course is oriented towards the achievement of the learning objectives. A wide range of teaching and learning tasks are implemented, such as lectures, practice sessions, autonomous work, study and assessment tasks.

Students are expected to participate actively in class throughout the semester.

Further information regarding the course will be provided on the first day of class.

27501 - Financial accounting I

4.2. Learning tasks

The course includes the following learning tasks:

- Lectures. These are needed to enable the student to understand the basic concepts of the subject. The presentation by the professor will be the predominant aspect but always trying to promote student participation. For this reason, prior to the class, the student must look through the materials of the course and the outlines used in class that will be available in the e-learning platform (<https://moodle2.unizar.es/>).
- Practice sessions. In which the participation of the student, individually or in groups is essential.
- Tutorials. The students will have individual tutorial hours with the teacher.
- Autonomous work by the student is essential.
